Law.

Nature is the highest law,
Perfect, true, without a flaw;
Writ by her almighty hand
On the heavens, sea and land;
Fading not with passing time,
Manifest in every clime;
Never changing, holding fast,
Is to-day as in the past;
Written in no printed book,
Yet is read in every nook;
And that law of man which bends
Otherwise than to her ends,
Courts destruction and a curse
From an angrier universe.

(Communicated.)
The City vs. the State.

That the relations existing between the city of Frankfort and the State should be of the most cordial character, in view of the natural and pertinent wants of the city, is scarcely a debatable question.

It was said, during the last Legislature, and admitted by some of our most prominent citizens, that at that time the citizens exhibited a marked indifference to questions of capital appropriation and capital removal. This, with the action of our county Representative, lost the best opportunity that has been offered for years of getting a liberal appropriation for completion of the capital building.

Lexington was prepared to move for such appropriation and Louisville stood ready to back it up.

But the day of opportunity was lost, and instead a reactionary feeling against Frankfort took its place—a strong under current of hostility, and few were found who were willing to say anything good for our city.

In this emergency the Common Council seems disposed to erect a hostile barrier between the State and Frankfort.

The Custodian of Public Buildings was proceeding to repair and renew the brick pavement in front of the Capital—all the power he possessed under the law—when he was served with notice to hold up the work till the authorities should determine the character of pavement to be constructed. Of course he paid no attention to the notice, under advice of the Governor.

The Board of Commissioners of the Feeble-Minded Institute, acting for the State, and impelled by a law suit, and an injunction, offered to pay half the cost of a public sewer down East Main and East Market streets to the inlet at L. & N. depot. The Council declined the proposition. The Commissioners then asked

permission to build a twelve inch pipe sewer down the same route, at State cost, and to give the city free drainage for the damming surface water of pike and street—the city not contributing one cent to its construction.

This permission was also refused unless the sewer was made a public sewer to be tapped by any one with the Council's permission.

This condition, disastrous to the proper maintenance of the sewer, could not be accepted by the Commissioners.

So the State is shut out of a very reasonable privilege, needed by it in a very grave emergency.

And yet, our people will apply for a capital appropriation and oppose capital removal; and the city will ask for an appropriation to pay half the cost of the brick street in front of the Capital grounds, and for other favors.

How can they expect to get them when the city creates obstruction tending to an unfriendly attitude? The case seems to us hopeless.

Another Frankfort Boy Heard From.

During the excitement of the war we lost sight of the fact that our Frankfort boy was in the Navy besides those heretofore mentioned. By a clipping from a Tampa, Florida, paper we learn that Paymaster Eugene Hall, formerly of this city, was in the hot little engagement between the U. S. S. Mangrove (converted yacht), and the Spanish gunboat Herman Cortes, in the harbor of Cayben, Aug. 14, wherein the Cortes was captured. Paymaster Hall was conspicuous for his bravery, along with the other Americans.

Mr. Hall has been ordered to the Philippines for duty.

When you call for DeWitt's Witch Hazel Salve the great pile cure, don't accept anything else. Don't be talked in to accepting a substitute, for piles, for sores, for burns. Tyler & Hemphill.

Royal makes the food pure, wholesome and delicious.

ROYAL BAKING POWDER CO., NEW YORK.

There has never been and cannot be another exhibition, no matter what it has been called, that is in the remotest manner like Buffalo Bill's Wild West and Congress of Rough Riders of the World. There can be no description of it that does not give its every detail, and that is a task that is too great to be undertaken in one newspaper article. It must be seen to be understood, and once seen—and the oftener seen—it is certain to be appreciated, when it is known that every Indian, cowboy and soldier is exactly what he represents himself to be. Its absolute genuineness is one of its greatest elements of attractiveness. It should be seen by every child.

Frankfort Boy Promoted.

We learn from a circular from the companies that our young friend, Mr. Ben H. Dudley has been appointed agent for the White, West Shore and Nickel Plate Lines, at Louisville.

Ben is a hustler from wayback and will make a number one agent. His friends here rejoice to learn of his promotion.

Miss Wilkins' New Serial is Humorous.

Miss Mary E. Wilkins' new serial is the humorous story of an up-to-

date city woman who attempts to reform a quiet village and educate the people up to the latest fads of the town. It is called "The Jammies in the country," and its serial publication will be commenced in the next issue of The Ladies' Home Journal. It will have Mrs. Alice Barber Stephens as its illustrator.

Correcting the Mistake.

Major John M. Burke, of Col. W. F. Coyle's Wild West Show, was in the city Thursday for the purpose of correcting the statement that Col. Coyle was so ill as not to be able to travel with his great show. Col. Coyle is well and hearty and exhibiting every day.

Will Probated.

The will of the late Jerome Weitzel was probated Monday. It was dated in 1890 and leaves everything he possessed to his wife, Mrs. Carrie Weitzel, during her life. At her death, and arrival of his youngest child of age, the estate is to be divided equally between his children.

How to Prevent Croup.

We have two children who are subject to attacks of croup. Whenever an attack is coming on my wife gives them Chamberlain's Cough Remedy and it always prevents the attack. It is a household necessity in this county and no matter what else we run out of, it would not do to be without Chamberlain's Cough Remedy. More of it is sold here than any other cough medicine combined.—J. M. NICKLE, of Nickle Bros., merchants, Nickleville, Pa. For sale by J. W. Gayle.

Dr. Goldstein Coming.

Dr. Goldstein, the eminent optician of Louisville, will be at the Capital Hotel, Frankfort, Ky., Thursday, Oct. 13th, one day only. If your eyes are troubling you, now is the time to correct them with properly adjusted glasses. Delay is both costly and dangerous. 6-2f.

Try the Capital Steam Laundry for a clean shirt or collar. Telephone 17. 16-1f.

ANNOUNCEMENT.

We are authorized to announce Capt. T. J. HARDIN, of Owen county, as a candidate for Congress in this (the 7th) Congressional District, subject to the action of the Republican party. 49-1f.

Miles' whole wheat flour is not only health giving, but is more palatable than white flour. 3-1f.

Chronic Dyspepsia Cured.

AFTER suffering for nearly thirty years from dyspepsia, Mrs. H. E. Dugdale, wife of a prominent business man of Warsaw, N. Y., writes: "For 28 years, I was a constant sufferer from dyspepsia and a weak stomach. The lightest food produced distress, causing severe pain and the formation of gas. No matter how careful of my diet I suffered agonizing pain after eating. I was treated by many physicians and tried numerous remedies without permanent help. Two years ago I began taking Dr. Miles' Nerve and Liver Pills and Nerve. Within a week I commenced improving, and persisting in the treatment I was soon able to eat what I liked, with no evil effects. I keep them at hand and a single dose dispels any old symptoms."

Dr. Miles' Remedies are sold by all druggists under a positive guarantee, first bottle benefits or money refunded. Book on disease of the heart and nerves free. Address, DR. MILES MEDICAL CO., Elkhart, Ind.

Y. M. C. A. Day.

The arrangements for the observance of Sunday in the local churches and Association as a special Y. M. C. A. Day, mention of which was made in last week's issue, are now completed, and every feature of the day's program promises to be exceedingly interesting and profitable. The gentlemen who have kindly volunteered to come from Louisville and Lexington, and assist in the various services of the day, are not only pleasing and effective speakers, but also experienced and energetic workers in the Young Men's Christian Association, and their addresses ought therefore to be heard by every one interested in the welfare of the young men of our city. These visiting brethren have been invited by the pastors to speak at the regular church services, 11 a. m., as follows:

Mr. Archibald A. Hill, of Louisville, at Southern Presbyterian Church.

Rev. A. T. Robertson, D. D., of Louisville, at Baptist Church.

Mr. John L. Wheat, of Louisville, at Methodist Church.

Mr. Henry B. Rosevear, of Louisville, at First Presbyterian Church.

J. A. Stacky, M. D., of Lexington, at Christian Church.

At 3:30 p. m. a grand rally for men only will be held in the Y. M. C. A. gymnasium. Mr. H. E. Rosevear will have charge, and a stirring address "A Question Without an Answer," will be given by Dr. J. A. Stacky, a prominent Lexington physician, a prominent musical program. Prof. Wayne Land Graham will preside at piano.

Vocal solo by Mr. Louis Harris. Section by male quartette.

A mass meeting of all churches uniting, will be conducted at 7:30 p. m. in the Baptist Church. Brief talks

by visiting speakers and other exercises. In many respects this will be the most interesting service of the day, and while members are urged to be present, yet let it be clearly understood that all citizens of Frankfort will be heartily welcomed. No collection will be taken for the Y. M. C. A. at any of the services.

Because of the evening union service, at which ladies as well as gentlemen are cordially invited to attend, the holding of a special woman's meeting in the afternoon, as first announced, is deemed inadvisable.

Three Doctors in Consultation.

From Benjamin Franklin.

"When you are sick, what you like best is to be chosen for a medicine in the first place; what experience tells you is best to be chosen in the second place; what reason (i. e., Theory) says is best is to be chosen in the last place. But if you can get Dr. Inclination, Dr. Experience and Dr. Reason hold a consultation together, they will give you the best advice that can be taken."

When you have a bad cold Dr. Inclination would recommend Chamberlain's Cough Remedy because it is pleasant and safe to take. Dr. Experience would recommend it because it never fails to effect a speedy and permanent cure. Dr. Reason would recommend it because it is prepared on scientific principles, and acts on nature's plan in relieving the lungs, opening the secretions and restoring the system to a natural and healthy condition. For sale by J. W. Gayle.

Terrible Storm.

A terrible storm raged along the Georgia and South Carolina coast on Sunday, commencing at 3 o'clock that morning and continuing until 6:30 o'clock that evening. Great damage to property resulted thought, happily, but little loss of life occurred.

Have Left Us.

Mrs. T. M. Turner, who has been hero closing up the affairs of the Old Dudley Institute, has returned to her old home in Virginia, but later will join Prof. Turner in Fitzgerald, Georgia, where he is engaged in a large school. In the removal of this most estimable couple from the city Frankfort suffered a great loss, especially that portion of the city in which they lived for they were most excellent neighbors—kind and considerate—and the many friends they left here will ever be glad to hear of their prosperity in the future.

Attention.

Editor of the Roundabout: We desire to call the attention of the Sunday-school workers of the city and county to the fact that Rev. Wm. Crowe, Jr., has been duly appointed to and has accepted the Presidency of the County Association work. Any assistance which you may be able to render him will be duly appreciated by him and us. The co-operation of all schools, of all denominations, is urgently requested, as this is an interdenominational work.

Respectfully,

E. A. Fox,

Gen'l Sec. Ky. S. S. Association.

The Frankfort Roundabout

Entered at the post office at Frankfort, Kentucky, as second-class matter June 1, 1898.

GEO. A. LEWIS, Editor and Pub.

FRANKFORT, OCTOBER 8, 1898.

Visits Home.

Mr. Will T. Reading, Jr., Third Kentucky Volunteer, now stationed at Lexington, was at home Thursday. This is his first visit home since his enlistment.

The Street Fair.

Prof. E. T. Simpson, the organizer and manager of street fairs, has been in the city this week trying to arrange for a street fair. He proposes to have the fair the first week in November.

A Block of Business Houses.

Messrs. Fined Brothers have commenced the erection of a frame business house on their lot on the west side of Bridge street, and will shortly follow it up with several more of the same kind.

Gone to Their Farm.

Mr. George H. Watson and family have removed to their new home at famous "Besque Bonita," near Versailles, Woodford county, where they will reside in future. We regret to lose these popular people from our city, and congratulate Woodford county upon having acquired them.

Lafayette Day.

October 19 has been designated as Lafayette Day, and the school children all over the country will have exercises appropriate to the occasion, to keep alive the memory of this grand old patriot. The ceremonies look to aiding in the erection of a monument to Gen. Lafayette. Appropriate ceremonies at our city schools.

Court Day Sales.

Mr. H. G. Davis made the following sales of stock on Monday, (county court day):
112 stock ewes at \$4.50 each.
5 stock ewes at \$2.50 each.
1 Jersey milk cow \$32.50.
1 Durham milk cow \$42.50.
1 Jersey steer \$24.
3 Jersey steers at \$16.00 each.
2 Jersey steers at \$18.50 each.
1 weanling calf \$19.

A Yarn Throught.

The story has gone out from Kansas City, Mo., and flown all over the country, that Col. W. F. Cody (Buffalo Bill) will not be with his show next Tuesday, because of sickness. This is a MISTAKE and is NOT TRUE. Col. Cody WILL BE HERE. He was temporarily under the weather from overheat, but is now well and hearty again and is giving personal exhibitions every day as usual.

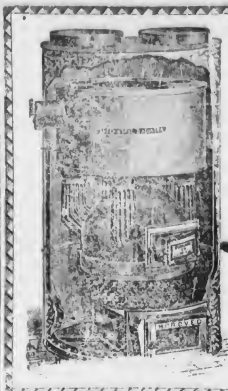

He will be here SURE.

At Home Again.

Engineer T. Fred Carter, with the rank of Lieutenant, U. S. Navy, was in the city on Thursday and made us a pleasant call. Lieut. Carter's family are staying near Spring Station and he is visiting there. He was on board the U. S. S. Brooklyn in the Santiago battle and gives thrilling accounts of how the thing was done. Every one remembers that the Brooklyn was hit thirty-five times by the Spanish shells, but Lieut. Carter says not a single shell pierced the armor plates of our vessels.

Arm Broken.

Master Roger Johnson, son of Assistant State Auditor Frank H. Johnson, who has been attending school in Louisville was exercising upon a horizontal bar in the gymnasium of the Y. M. C. A. in that city, on Tuesday, when he slipped and fell, breaking his right arm. Master Roger has been very unfortunate in this respect as he fell from a pile of lumber at the saw-mill of Messrs. Dunigan & Nicol and broke the same arm in another place, summer before last. Dr. E. E. Hume attended

to the young man's injuries after he came home.

Good News.

The school children will be glad to know that Tuesday next (Buffalo Bill Day) will be a holiday, and they will not have to attend school. So they can get ready to see the big show.

Contract Let.

The Board of Prison Commissioners have let the contract for remodeling the dining room in the local prison to Mr. S. C. Cryer, of this city, for \$4,000.

Mr. Leo O'werthart is the architect who drew the plans.

Fine Corn.

Mr. W. T. Gorham, of Stamping Ground, brought as a sample of fine corn on Monday, which he says was grown on one of the poorest farms in that region. One ear had 19 rows, one 22 rows and one 24 rows of corn, each and every row full, with well developed grains.

Major Gorham says the crop in that neighborhood will be the best for many years, as the good ground has produced equally as well, in proportion, as that from which this corn came.

To Deliver an Address.

The Second District Educational Association of Kentucky will hold a meeting at Madisonville, Hopkins county, Friday and Saturday, October 28th and 29th. A splendid program has been arranged. Among those who will take part in the work is Prof. McHenry Rhoads, of this city. He is down for address on Saturday afternoon, and his subject will be "What Have We Done," an educational review of the State.

We have no doubt that those who attend will have a rich treat.

Carried Down Stream.
When a man crosses some difficult place in his working career, spurring all his energies to accomplish some critical passage in his business journey, suddenly finds his health giving way and feels himself swept out of the saddle by the swift for a time current of disease—then is the time when the marvelous rejuvenating properties of Dr. Pierce's Golden Medical Discovery will prove an unfailing means of rescue and restoration.

It is a very simple though eminently scientific medicine. It is not a mere stimulant like so many patent extracts. It restores healthy power by reviving the innermost sources of vitality in the nutritive system. It enables the digestive and blood-making organs to manufacture good blood abundantly and rapidly, so that the immense waste of tissue and nerve fiber entailed by hard labor is offset by a speedy upbuilding of fresh energy and strength.

A prominent and venerable Illinois physician, Dr. W. Voelke, M. D., of Fowler, Adams Co., writing to Dr. Pierce, says: "I send herewith thirty-one (31) cents in stamps for 'The People's Common Sense Medical Advice' in cloth binding. With this postage for so valuable a work truly a gift to the public, I must express my high appreciation of the vast amount of good that you have rendered the public. A correct measure of your usefulness never has been, and never will be estimated by the public; no, not even by the multitude of afflicted humanity that has been relieved and cured by your medicine. Wherever we go or have been in the United States, I find persons who have used and are using your medicine with satisfaction, for all conditions for which they are recommended. I am constantly sending out their good reports. I am also soothed with confidence in their action as cures and confidence for which they are recommended. It is not common for medical physicians to endorse and recommend proprietary medicines, but in this case I have no equivocation or hesitancy in so doing."

The quick consolation—cure—Dr. Pierce's Pleasant Pellets. Never gripe.

M. A. COLLINS,

Main and St. Clair Streets.

Exceptional interest attaches to the Hungarian Czikos with Buffalo Bills Wild West. They are descendants of the Huns, hereditary to the cattle herds from the plains of Hungary, who, in consequence of the marvelous service of their ancestors as flying cavalrymen, have, by royal edict, enjoyed the rights and exemptions of the minor nobility ever since 1605. Very picturesque fellows they are, daring riders, gallant fighters and wild as hawks. Until they started to come here they had never seen railway cars, and the new world is as full of themes for amusement to them as it is to the most savage of the red men.

DeWitt's Witch Hazel Salve has the largest sale of any salve in the world. This fact and its merit has led dishonest people to attempt to counterfeit it. Look out for the man who attempts to deceive you when you call for DeWitt's Witch Hazel Salve, the great pile cure. Tyler & Hemphill.

CHEAP ICES.

The best Ice Cream and Sherbert at \$1 per gallon or 30 cents a quart at Adler & Klaren's, St. Clair street. 5-1f.

Pea Ridge.

Mr. Oscar Graves, of Elmville, visited his father, Mr. James Graves, this week.

Mr. John Pierce, of Jacksonville, is visiting his parents, Mr. and Mrs. Isham Pierce.

A wedding will take place here in the near future. It is such an intense secret that nothing may be said about it except that the young lady is one of the loveliest girls and the groom is handsome and ambitious.

Mr. Sam Tracy's house is rapidly nearing a finish.

Mr. Budlin, of Christiansburg, visited relatives here this week.

Miss Ida Sanford is the guest of Miss Hallie Flynn this week.

A gentleman from D. C. Crutcher & Co.'s visited our school this week and made the children happy by giving to each of them a tablet and pencil.

"It is somebody's crime if all the children do not see it," is the terse way a leading Brooklyn editor calls attention to the excellence of the Buffalo Bill Wild West Show, which will be given here on Thursday, Oct. 11. It was a trite saying and a true one. The show is more than a circus, for while it amuses, it also instructs. It is educational. This year there are many new features. One consists of a stupendous reproduction of the Custer battle and massacre on the Little Big Horn, which will be long remembered.

Stringtown.

Hot days and cool nights. Mr. Shmeek Cook made Stringtown a flying visit Sunday.

Mr. W. T. Goodwin is still buying calves, paying from \$2.50 to \$17.50 a head.

Mr. W. W. Harlow, of Bagdad, who was taken with a congestive chill several days ago, is still confined to his room, though better.

Glad to report the condition of Mr. S. H. Bryant and wife very much improved. Hope to see them out soon.

Our trustworthy friend, Estill Miles, who has been an invalid for some time, is still poorly, but we trust not seriously so.

Dr. Frank Adams was summoned to appear at the bedside of Mrs. Sam Stigers, of Hattin, Sunday, whom he is inclined to think has symptoms of typhoid trouble.

Mr. James Barnett, of Peytonia, accompanied Miss Mary Watkins home Sunday.

Mr. George Long, who has been working for Mr. Lowry Jenkins since last spring, set sail Tuesday for Glstville. We will miss you, George.

Mrs. Lucy, wife of Capt. Smith Cook, of Kansas City, Mo., is visiting brothers, sisters and acquaintances in Bagdad and vicinity.

At an election held in District No.

41, Shelby county, on last Saturday evening, after a great deal of electioneering for the important positions, Hann Shuck, Elmer Wade and Wm. Lea were elected as trustees, Hann is experienced and is calculated to stand the censure he will receive.

Mrs. Martha Packer has a new residence in course of erection. Est. W. P. Clark, of Hattin, has the contract. With new buildings, good roads, fine people, etc., why not real estate take a boom.

We are authentically informed that our friend and good free silver man, L. P. Crum, is discussing the proposition of moving to Tumble county soon. Now Lewis, you had better stay here and watch me, Uncle Lulah Wade and Ed Stigers run a foot race some time next spring. Price of admission 15c. No one admitted unless he comes himself.

What has become of Prof. Ira Daddridge Green? I never heard anything from or about him. I don't suppose he has gone off and got married, or I would have noticed an account of it in the Budget of Fun or some other leading periodical.

Wilson says that he is getting too fat to fight Corbett and will not consent, unless I help him out, by hitting him the first lick, knocking him as cool as a cucumber, and then he will try him the second round. You bet that man you call Wilson is bad stuff when he gets mad, but we always find him in a good humor.

The Council.

The Council met in called session last Tuesday evening. The curb line on Ann street and that on Main from Newman's stable was referred to Mayor, Street Committee and Engineer. The Mayor was directed to advertise for bids for curbing in front of property where owners have refused. The printing of briefs in bank tax cases were ordered paid for. Grantoid pavements were ordered raised where curbing has been raised. The Pinkerton's notified the city authorities to look out for thieves and thugs following the Wild West Show. The Water Committee was directed to receive bids for a force pump to be placed opposite the State House. The bid of D. J. Newman for curbing along L. & N. railroad tracks was rejected. The Street Committee was directed to contract with J. A. Lillis, Thos. Donahue, Sharpe Bros., and any others who will do the work at 46 cents per foot. The special committee reported that \$7,700 would buy the Finck, Salender and Reddish property. The Mayor was directed to appoint a committee to be composed partially of women to collect this money by special subscription. The grantoid pavement ordinance had its first passage. Complaint was made against county court day sales on Main street and a committee was appointed to secure another place. The Council Chamber was given to the Pharmacists for October 11. The exclusive right to the F. M. I. to run a sewer down Main street was rejected. The raising of the L. & N. tracks on Broadway from Ann to Washington was referred to the Mayor, Street Committee and Engineer. Joint sewer on Main street for State and city was not put to a vote. The Council adjourned.

Y. M. C. A. NOTES.

"Character Building" was the theme of an exceedingly helpful address given by Rev. T. F. Tallafiero at the Association parlors last Sunday.

Every one present enjoyed the earnest and convincing words of the speaker, and hope to have the privilege of hearing him again in the near future.

Rev. T. F. Tallafiero, the greatly beloved retiring pastor of the Fairmount Church, is to go to Frankfurt, in the Lexington District. He is an

able, consecrated, Christian gentleman, and a zealous laborer in the Master's cause. The good people of Fairmount regret exceedingly that he was not returned them, and their prayers and good wishes will attend Bro. T. and his estimable family in their new home. The Misses Tallafiero are accomplished musicians and have been valuable adjuncts to the church choir, as have their songs and music delighted innumerable social gatherings. We unite with their legion of friends in wishing them God-speed in their new home. —Fairmount Pentecostian.

You invite disappointment when you expect. DeWitt's Little Early Risers are pleasant, easy, thorough little pills. They cure constipation and sick headache just as sure as you take them. Tyler & Hemphill.

Speaking.

Hon. E. E. Settle and Mr. South Trimble made speeches at the Court House on Monday. There was a fair crowd present who seemed to enjoy the remarks of the gentlemen.

Our little boy was afflicted with rheumatism in his knee; and at times unable to put his foot to the floor. We tried in vain, everything we could hear of that we thought would help him. We almost gave up in despair, when some one advised us to try Chamberlain's Pain Balm. We did so, and the first bottle gave us so much relief that we got a second one, and, to our surprise, it cured him sound and well.—J. T. BAYS, Pastor Christian Church, Neodesha, Kan. For sale by J. W. Gayle.

Accidentally Hurt.

Mr. Geo. W. Parker, the energetic and hustling miller and merchant at Elmville, was so unfortunate as to have his left hand caught in the machinery of his mill, last week, and mash the hand very badly. Surgical attention was rendered and the injured fingers are doing nicely.

Counterfeiter Arrested.

Col. Con McCarty, Deputy U.S. Marshal, arrested Bud McCardwell at Gratz, Owen county, on Thursday, charged with counterfeiting. He brought his prisoner to this city yesterday and lodged him in jail. The examining trial will be held before Commissioner Chapman on Saturday. His confederate Rudder was arrested some ten days ago.

Appointed.

It was hoped by the many friends of Mrs. G. Russell Rodman, of this city, that she would be appointed to fill out the term of her deceased husband, who held the position at the time of his death.

We are under obligations to Mr. Ira S. Shy, Co. B, 11th U. S. Infantry, for a copy of the "13 Commerce Dialectic de Lady." Issued at Manila, Philippine Islands. It is printed in both English and Spanish, and contains a number of advertisements of places of business in the city. We suppose it contains some real news stories also, but we are like the fellow who undertook to read the

dictionary. "It's a mighty purty story after you get the hang of it." This paper is dated Tuesday, Aug. 16, and reaches us Sept. 27, having made the long journey, almost around the world in 41 days.

Mr. Shy is the son of our friend, Mr. W. T. Shy, of the Old Crow, and he passed through the scrap at Manila without a scratch.

We congratulate our young friend upon his lucky escape while in battle, and thank him for his courteous remembrance of us.

Indian Outbreak.

The Pillager Indians of Bear E-Lind, Minn., have gone on the war-path. They attacked Brig-Gen. J. M. Bacon, and a force of about 100 men, on Wednesday, and inflicted considerable damage. The first report was that Gen. Bacon was killed with his command, but this was contradicted. Things are in bad shape and reinforcements are being rapidly pushed to the front.

Gen. Bacon is a Frankfort boy, and has won his way up from a private to a brigadier's place. He is a brave and dashing soldier.

Unfortunate Affair.

At a meeting held by the Sanctionists at Rocky Branch Church, near Switzer, this county on Saturday night, Mr. John Snelling became involved in a difficulty with Mr. Bacon Buthin, over Buthin's attentions to his (Snelling's) wife. During the trouble Snelling was hit in the head with a rock, by whom it is not known. He drew his pistol and shot Buthin in the head killing him instantly.

Snelling came to town that night and surrendered himself to Sheriff Suter and was lodged in jail.

He waived an examining trial and was held over in \$1,000 bond.

"It is somebody's crime if all the children do not see it," is the terse way a leading Brooklyn editor calls attention to the excellence of the Buffalo Bill Wild West Show, which will be given here on Thursday, Oct. 11. It was a trite saying and a true one. The show is more than a circus, for while it amuses, it also instructs. It is educational. This year there are many new features. One consists of a stupendous reproduction of the Custer battle and massacre on the Little Big Horn, which will be long remembered.

[DELAYED LETTER.]

Mrs. W. A. Lewis, son, James, and daughter, Liddle, visited relatives at Flat Creek last Saturday and Sunday.

We are sorry to report Mr. Robert Spalding is on the sick list this week.

There was singing at Mr. E. W. McDaniel's on Sunday night. The singing was conducted by Mr. Oscar Clark and Miss Hattie McDaniel. Those that were present were Misses Annie and Nettie Smith, Messrs. Alonzo Lewis, John Goins, Willie Roberts, Seth and Ira Semones. Tuck was on hand, but not feeling much like a nightingale, did not and was not heard there and then.

We are glad to know Mr. Chas. Buford is able to be out again.

Some of the girls wondering where the Mocking Bird is? I guess the cage door has been opened and he has flown away and will never be heard of again.

PAPA'S ONLY CHILD.

Free of Charge to Sufferers.

Cut this out and take it to your druggist and get a sample bottle free of Dr. King's New Discovery for Consumption, Coughs and Colds. They do not ask you to buy before trying. This will show you the great merits of this truly wonderful remedy, and show you what can be accomplished by the regular size bottle. This is no experiment that would be disastrous to the proprietors, did they not know it would invariably cure. Many of the best physicians are now using it in their practice with great results, and are relying on it in most severe cases. It is guaranteed. Trial bottles free at J. W. Gayle's and LeCompte & Gayle Co.'s drug store. Regular size 50 cents and \$1.

Benson City.

Mr. Ben Goins and family have moved to Madison, Ind. We wish Ben success as he deserves it.

Mr. John King will move into the house vacated by Mr. Goins.

In our recent school election the Democrats won by a large majority. Hurrah for Dan Moore.

It is with sympathy for the aged widow and children of Mr. J. P. Stockton that we report his demise, which occurred September 30th, at his residence, at Benson Depot. Mr. Stockton was 78 years of age. He had been in poor health for some time, but was a man of wonderful resolution and persisted in attending to business even when nature deemed it unwise. The immediate cause of his death was hemorrhage of the stomach which began Monday evening and continued more or less until he was exhausted. "Uncle Pres"

was born in Old Kentucky and had lived near Benson station for many years. He was a general favorite with the children, a good neighbor and a Christian gentleman, and will be missed in the vicinity in which he lived. According to his own request he was laid to rest in a lot on his Benson farm, near the church.

The rock crusher at this place is a great help to us. The contractor, Mr. Dalton, is an enterprising young man from Hopkinsville. We will expect him again next season.

The Benson reservoir is at a low ebb just at present. Formerly we were blessed with an adequate supply of ice at all hours, but now ain't we in a pickle? The ice man's fingers are frozen off.

The improvement in the Devil's Hollow turnpike at the bridge above the church is great and ought to be appreciated, especially by the Shelby county people who ride over our free turnpikes. It is to be hoped that Shelby county will soon have some free pikes of her own.

There is much sickness in this vicinity. Not much use of doctoring the springs. Ted.

One Minute Cough Cure surprises people by its quick cures and children may take it in large quantities without the least danger. It has won for itself the best reputation of any preparation used to-day for colds, croup, tickling in the throat or obstinate coughs. Tyler & Hemphill.

Mr. Henry Rice and wife are visiting their son, Walter, near Truesville this week.

Rev. Polk South is carrying on a protracted meeting at this place with four additions up to the present time.

Mr. Ben Anderson has gone to Carter county to purchase a lot of sheep.

\$500 REWARD

We will wager \$500 that no bicycle manufacturer in America is producing a High Grade Bicycle equal to our 1898, American Special, on which has been placed a price of \$35 and is offering to the general public, to all alike. Further, that our

BICYCLES AT

\$17.50 \$22.50 \$30.00 \$35.00

Are better bicycles than can be bought in America for the same money.

We employ no traveling men, issue no expensive circulars, sell our entire output to the riders for cash only, have no bad debts, therefore, can sell 1898's CLIMAX 100 per cent. cheaper than any manufacturer in the United States. We never deceive the public. No one can succeed in so doing. Our bicycles are sent subject to approval without any advance whatever. We expect to sell 18,000 bicycles in 1898 and we only want to make \$1.00 each. We much prefer to sell 18,000 at a profit of \$1.00 each than 1,000 at \$15 each. Any prices above ours made by other concerns are made to by extravagant expenses, and don't let anyone convince you that you should pay for extravaganzas and bad debts of others. Buy at the maker and save your money. SEND FOR CATALOGUE AT ONCE.
